Hi

How are you

This is theLocal

fenchen
2011/8/23 Abel <financeiro@ztlbrasil.com.br>

Hi, I need some information. There are two values that I didn't understand.

2011/08/05 RMB 673,80

2011/08/05 RMB 1.963,61

Which are these?

I think these are tax. If yes, what kind of tax (national? Local?) If no, I will need the receipt...

Awaiting reply.
